

The Tribeca

Our Tribeca is a 4 bedroom, 2.5 bath contemporary with a downstairs master suite and open floorplan. It's exceptionally spacious with 2,675 square feet of living space.

Your family and friends will be welcomed in the dramatic 2 story foyer.

The dining room features stately columns and a large picture window for a wonderful entertainment experience.

The gourmet kitchen is generously sized and features a large center island. The adjacent eating area is bathed in natural light with its vaulted ceiling with skylights and picture window.

The 2 story great room is warmed by a clean burning gas fireplace.

The oversized master suite has its own walk-in closet and glamour bath - complete with tile finished garden tub.

Upstairs, you'll find 3 bedrooms and a catwalk balcony which looks over the great room & foyer.

Optional 3rd car garage is shown.

Like all 20th Century designs, this home is customizable to meet your specific needs.
